ABOUT JAMIESON RANCH VINEYARD

Jamieson Ranch Vineyards is the southernmost winery in the Napa Valley. The property's rolling hillsides and vineyards were formerly part of General Mariano Vallejo's Rancho Suscol in the mid-1800's. Today, the ranching tradition continues with cattle grazing the Hillsides, an apiary, from which we source our estate honey, and our own miniature horses roaming the property.

TASTING

Fresh cut pear, pineapple, citrus zest with hints of sweet lemon curd. Nice tension and crisp acidity touch on all angles of the pallet creating a sense of completeness followed by a twist of sweet and tart lingering on the finish.
