TASTING NOTES

Blending is the winemaker's art. In this wine we bring together grapes from some of Napa Valley's finest vineyards and appellations. This is a full-bodied, fruit-driven wine with rich and juicy flavors of blackberry, black plum, cassis along with satisfying notes of brown spice and white pepper. Well-balanced and integrated tannins lead to a finish that is long and warm.

ABOUT JAMIESON RANCH VINEYARDS

Napa Valley starts at Jamieson Ranch Vineyards, as it is the southernmost winery in the Napa Valley. Reminiscent of a grand lodge, the stately winery sits upon rolling hillsides and vineyards with history dating back to the mid-1800s. Our Winemaker Linda Trotta joined us in 2017 following three decades of experience, which includes overseeing all winemaking for celebrated wineries in California and Washington. Today, visitors to Jamieson Ranch Vineyards enjoy personalized experiences and events.
